There is a little over \$9,000 for the summit COMP-NW and SHS Community Health Promotion Department has put some funding into the summit and Oregon Health Authority Oregon Health Insurance Marketplace has also provided some funding as well. - **Beatriz Botello-Salgado** – What about funding for transportation? Can we arrange for public transportation or have tickets available?
 - a. **Luis Acosta** – Some organizations will rent a bus to take people to events. Maybe we can look at working in partnership with some organizations on transportation.
